SPECIAL EASTER SERVICES WERE HELD

Beautiful Decorations—Special Music and Services.

Large crowds Sunday attended the both morning and evening services in the various churches of the town. In nearly every house of worship special preparation had been made for the Easter Services. Cut flowers including the beautiful Easter lilies were used for decoration with potted plants, ferns and palms. Special musical programs had been prepared for most of the services and few of the ministers delivered sermons on other than topics significant of Easter.

Easter this year was memorable for two things. One is that it occurs the earliest this year than it has for ninety eight years preceding the other is that it is the annual celebration of the resurrection of the Savior. The first record we have of the word is found in Acts 12:3, but it was not used in that instance in the sense that that we use it now, but in reference to the Jewish feast of the Passover. There were many controversies during the first and second centuries as to the adoption of a date upon which to commemorate the re-urrection of our Lord, and to separate it from the feast of the Passover. Anicetus at Rome [A. D. 170] issued the first decree keeping Friday as a day upon which the Lord was crucified, and the following Sunday as the resurrection day.

Many bitter controversies existed after that, in the attempt to separate the passover day and the resurrection day, and not until a council at Nice, near the year 314 A. D., the time was fixed when this annual resurrection day should be held. They decided that "the festival to be celebrated on the Lord's day following the full moon next succeeding the Vernal Equinox." This festival still goes by the name, "Feast of the Passover," in some countries today, but with the English speaking people it is called Easter, while this word is an adaptation from the German word Ostern, which has a more significance of spring, which time this festival comes, than it does to the subject matter.

Blonde Baby Strong and Healthy Under Nurses Care.

On January fifth a baby was born in the north part of town under circumstances which made it extremely improbable that the child should live. It weighed but two pounds and a quarter at birth and at ten days it was weighing two pounds and three ounces, an extremely little atom of humanity.

Knowing that the child would not receive proper care at the home into which it was born Miss L. E. Harrison, kindly took care of the baby and later with the consent of the parents adopted the baby for her own, calling her Ruth Harrison. Little Ruth is now ten weeks old and weighs four and three quarters pounds, more than doubling her weight in the ten short weeks. She has been fed modified cows milk. To the milk has been added water and milk sugar. At first the quantity given was very, very, small, not exceeding a half ounce at once. Now three ounces of the modified milk is given to her at a meal and she takes it, every drop.

The baby is fair skinned, with big blue eyes and her hair is soft and light, narrowly missing being auburn. Ruth is past the stage now where a finger ring of ordinary size will go over her hand. She has out grown rings for bracelets.

When she was two weeks old any of the nurses rings would slip easily over her hand. By the time she was six weeks old a man's ring was about the right size but she cannot wear even them now.

Mrs. Oscar Rice and B. E. Sells of Fort Scott, and Mrs. Homer Hendricks of Cherryvale are the guests of Mrs. N. E. Wood during D. A. B. Conference.

FUNERAL OF J. C. SAAR

The funeral services of J. C. Saar, who was killed beneath the wheels of a freight train in the Independence yards, Thursday evening, were held from the Methodist church Sunday afternoon at twelve thirty o'clock. The services were conducted by Rev. J. R. McFadden, pastor of the Methodist church, and the Masonic fraternity and the Brotherhood of Railway Trainmen had charge. The pallbearers were members of the two orders. Burial was made at Elmwood. Mr. Saar was thirty eight years of age and leaves a wife and four children. He was the son of Mr. and Mrs. Henry Saar. The accident happened in the railway yards at Independence while switching. Mr. Saar was a member of the crew of a freight train from Winfield to Chanute, and slipped on the icy car, falling so that he was crushed beneath the car wheels.

MRS. TAYLOR DEAD

Mrs. Mary Taylor died Fri. morning at the home of her daughter, Mrs. H. M. Hole about seven-thirty five after being bedfast for the past four years. Over four years ago Mrs. Taylor fell and broke her hip. She was never able to walk again.

Mr. and Mrs. Taylor settled in Neosho county in the year of 1868 and have always made their home here and are known as Neosho county pioneers. Mr. Taylor died a number of years ago. Mrs. Taylor was 80 years old at her last birthday. She is the mother of seven sons and one daughter, of whom her daughter and five sons survive her. They are Mrs. J. W. Hole and George, E. L., L. C., W. H. and A. W. Taylor. Funeral services were held from the home and interment made in the Shaw cemetery. The services were held Saturday afternoon at two p. m.

GLEE CLUB BOYS MADE A HIT

The Indiana University Glee Club boys who gave an entertainment at the Christian church Tuesday night under the auspices of the Santa Fe Reading Room Department made a hit with their audience which completely filled the church.

Besides the glee club the boys had a tenor soloist, a cornetist, pianist, a magician and a chalk talker. The glee club as a whole pleased the people with their college songs. Their voices were well trained and their songs popular. The others were well up in their special lines and each of their numbers received hearty applause.

BEST KNOWN COUGH REMEDY

For forty-three years Dr. King's New Discovery has been known throughout the world as the most reliable cough remedy. Over three million bottles were used last year. Isn't this proof? It will get rid of your cough or we will refund your money. J. J. Owens of Allendale, S. C. writes the way hundreds of others have done: "After twenty years, I find that Dr. King's New Discovery is the best remedy for coughs and colds that I have ever used." For coughs or colds and all throat and lung troubles, it has no equal. 50c and \$1 at All Druggists.

Enthusiased Over Band Orchestra

Best Collection--Italian Musicians--Selections by the Band

For the Band Concert given at the Hetrick Sunday afternoon it was the intention of Professor Thurlow Lurance to make the orchestra the bright and shining light of the concert and the enthusiasm shown by the audience proved that he had succeeded. An orchestra of seventeen pieces and which will be called the Band Orchestra gave the first numbers of the afternoon's entertainment. Besides local talent two of the members of the Italian Orchestra which is playing here assisted and one of them rendered a solo, that pleased the crowd so much that they persisted in calling for another number by the violinist, which he kindly rendered.

Of the selections played by the orchestra "The Lily," "The Mill in the Forest" (Elenburg) and Von Bion's Serenade were apparently most appreciated.

"Music" a poem written by J. M. Cavanaugh, was read by T. F. Morrison. The band gave several numbers. Overture "Poet and Peasant" and Home Sweet Home" as played in various lands were especially received.

The collection speech was made by T. A. Jeffers, who said that at least a thousand more tickets than the nine hundred printed would have been taken if there had been that many more to give. The collection amounted to \$42.86, the largest that has been taken and the number in the Hetrick Theatre was smaller.

PAUPER GAS LIST SMALLER

The pauper gas list for the month of February 29 to March 20 is smaller than for the preceding month by a good many dollars. For this last period the city will ask the county commissioners for \$59.32 for gas and besides this there will be a coal bill of ten or twelve dollars. For a town of this size the bill is extremely small.

Headaches that come from a disordered stomach or constipated bowels are permanently cured by Herbine. It purifies the system and regulates the bowels. Price 50c. Sold by D. B. Hickey Drug Store.

DEATH OF MRS. J. L. STEIN

Camma E. Stein, wife of J. L. Stein died Tuesday morning about four thirty o'clock at the home of her parent Mr. and Mrs. Jesse Wilkins, 415 West Fifth street, after an illness extending over a period of two years. Death was caused by tuberculosis. Last winter Mr. and Mrs. Stein and their two children came to Chanute from their home in Oklahoma and had spent the last few months with Mrs. Stein's parents.

Wormy children are unhappy, puny and sickly. They can't be otherwise while worms eat away their strength and vitality. A few drops of White's Cream Vermifuge performs a marvelous transformation. Cheerfulness, strength and the rosy bloom of health speedily return. Price 25c per bottle. Sold by D. B. Hickey Drug Store.

CUTTING TEETH

Iola, Kan., March 26.—T. B. Sherrod, aged 95, of La Harpe, Kan., is cutting teeth. He is hale and hearty and almost as active as a middle aged man.

The Correct Time

Is sometimes a matter of great importance. A watch that doesn't tell the correct time is just as bad as no watch at all. If your watch shows an inclination to be eccentric or unsteady in its habits, bring it to us and we will put it in shape at a very reasonable cost.

O. E. OONKLIN, the Jeweler

Neosho Co. Pioneer Died Last Monday

Came to Kansas in 1869--87 Years of Age.

Joseph A. Meeker, a Neosho Co. pioneer, died last Monday at his home 118 South Highland after being in feeble health for some time.

Joseph A. Meeker was born in New York State June 20th, 1825, and with his parents moved to Ohio when he was yet a boy. Here he was married and in 1869 came to Kansas and settled on a farm west of Erie. Eighteen years ago they came to Chanute and have lived here ever since. He was married twice and is survived by his second wife. He was the father of four children by his first wife and six by his second. Three of the older children are living, Mrs. C. A. Brown of Topeka, W. V. Meeker of Eriton and T. A. Meeker of Charleston, West Virginia. Four of the younger children are living. They are L. B. and H. B. Meeker and Mrs. M. T. Achenbach and Mrs. O. J. Comer of this city.

All of the children are here with the exception of T. A. Meeker of Charleston, West Virginia. Mr. Meeker was a farmer and a carpenter but retired from active work a number of years ago.

County Attorney Grant Raises Price of Plain Drunks

In this piping period of prevailing perversity when the cost of high living has become a paramount issue of the proletariat, County Attorney E. W. Grant has raised the penalty for plain drunks, until that pastime has practically been placed beyond the pale of the common people.

Ten dollars is the most that is ever charged for a plain drunk in Chanute and more often it is five. A fancy, loud pedal at-lonesome, of course, comes a little extra. However, five dollars fine is about the average cost. "And that is not enough" said Mr. Grant Wednesday who was here for the purpose of making complaint against Brown Wells and Ben Ames on an intoxication charge and whose trial will occur before Justice Locke in Erie today. "I expect" continued Mr. Grant to get a list of the intoxication cases in the Chanute police court and to immediately have the defendants arrested on a state warrant. "This is the first time that such a procedure has been followed. However it was tried in Erie last week and four men were fined in police court and immediately convicted in a state court and fined \$25 apiece.

DEATH OF MRS. NEWTON

Isabel J. Newton, wife of L. Newton, 108 North Central avenue died at their home Wednesday night at 8:25. Mrs. Newton had been sick for a year. She was seventy-five years old, born April 1837. She was married in 1853 to Henry Clatfelter, and to them six children were born, three daughters and three sons. Of these one daughter, Mrs. Milla Parsons and two sons, Frank C. and Bert C. Clatfelter, survive her. Mr. Clatfelter died December 1901 and about six years ago she was married to L. Newton.

BEST FOR SKIN DISEASES

Nearly every skin disease yields quickly and permanently to Bucklen's Arnica Salve and nothing is better for burns or bruises. Soothe or heal. John Deye, Gladwin, Mich., says, after suffering twelve years with skin and spending \$400 in doctors' bills, Bucklen's Arnica Salve cured him. It will help you. Only 25c. Recommended by All Druggists.

Mrs. Marks of Erie is visiting Mr. and Mrs. L. E. Hutchins 1006 N. Forest. Wednesday a fine daughter came to stay at the home of Mr. and Mrs. L. E. Hutchins.

BIDDING CLOSE ON SEWERS

Two sewer contracts were let Tuesday at the meeting of the Board of Commissioners both of which are in the north part of town. They are sub sewers "J" and "G."

The bids were as follows: J. F. Seaver 87 cents for "J" 50 for "G." J. F. Byers 82 and 47 Perry Taylor 81 5 and 46 9 and the Engineer's estimate was 83 and 50 cents. The one sewer is 375 feet long and the other 510, making the cost of the first at Taylor's bid which was the lowest and accepted \$289.63 and the second \$238 19.

On a technical point Byers has the best of Taylor. The contractor is required by law to enclose a certified check for five per cent. of the cost of the work and deposit it with the City Clerk. Mr. Taylor failed to get his check in with his bid so Mr. Byers has a technical point on Mr. Taylor. The difference in the cost would not be much over two dollars on the two sewers.

Byers and Taylor are invariably off from each others bid by only a fraction of a cent and a friendly rivalry exists between the two, that leads them to shade prices closely.

WE'RE SEEING THINGS

I. N. Johnson was standing along the edge of the sidewalk Wednesday and watching the stream of water flowing along the gutter, taking pointers on the drainage of Main street. Mr. Johnson claims he doesn't believe in the "raining of frogs and fishes" but is sure he saw one of our funny friends playing along in the gutter. He admits that he only saw at most a wave, and maybe a fin, but it was enough to satisfy him that a fish was being carried down the gutter.

Dr. and Mrs. A. E. Tipton returned Wednesday from a few days visit in Joplin with Dr. Tipton's brother. They report a heavy fall of snow at Joplin when they left.

OTTAWA IS EASILY EXCITED

The following dispatch under an Ottawa date line indicates that the little town to the north is easily excited. The same stunt was pulled off at this place last week:

Ottawa, Kas., March 24th.—Henry Lanier, laborer, who fell into a stupor Saturday night at seven-thirty p. m. while talking over the phone to Albert Mach at Chanute, is still in a comatose state. Physicians still assert he was hypnotized and that only Mack can revive him.

Mack will be brought here this afternoon. What he said in the conversation is not known. Lanier has been without food or drink for more than forty hours. His heart action and respiration are normal. The whole town is excited. Hundreds of people have fought to see Lanier.

TEACHERS OF HIGH SCHOOL VERY YOUNG

Last Ones to Register Youngest of All--Very Precocious Bunch

The new registration provision whereby women are required to give their age to the registrar, is causing much grief. The High School faculty was sent to the city clerk's office Thursday afternoon to register and were charged to vote at the coming election. The first lady member of the faculty up is exceptionally young and gave her age without hesitation. The next one also is in the same class and was duly registered by Miss Norton, the city stenographer. During this time there had been some plotting going on, on the side, and when the next one came up, grayly as her age was twenty one. A somewhat doubtful look greeted her from the registrar, but the number was repeated with emphasis considerably increased. When "called" on the matter the jolly little faculty member laughingly remarked "I must have been a precocious child." When one realized that she had been a member of a high school faculty for four years and when she so desires can take an A. B. after her name one is forced to the conclusion that she has indeed made good use of her twenty-one years of life. And so on down the list.

On questioning the registrar in regard to how women took to the new idea of giving their ages for registration purposes it seems that women between the ages of thirty and forty are the ones who dislike the necessity. A few say they believe they will not register and one at least said she had forgotten.

But the main we find that the women of Chanute are not inclined to mind having their ages known, that it is just the unusualness of being asked to do so, that makes them hesitate.

CHICKEN AND DOG WARRIES

"I got considerable chicken and dog trouble," said Chief Grady about eight-thirty this morning. "I have already had four calls this morning and the day not started good yet."

More calls come seemingly from the Second Ward than from any one section of town. Evidently, nearly every one has either chickens or a dog there and they make rather free with gardens and flower beds and the porches and lawns. One family in particular that cares especially for shrubs and flowers report that they have a colony of six or eight dogs camping on their lot a good bit of the time. Or if they are not staying there they run back and forth and damage the shrubs as well as worry the women of the household.

THE CAUSE OF RHEUMATISM

Stomach trouble, lazy liver and deranged kidneys are the cause of rheumatism. Get your stomach, liver, kidneys and bowels in a healthy condition by taking Electric Bitters, and you will not be troubled with the pains of rheumatism. Charles E. Allen, a school principal, of Sylvania, Ga., who suffered indescribable torture from rheumatism, liver and stomach trouble and diseased kidneys writes: "All remedies failed until I used Electric Bitters, but four bottles of this wonderful remedy cured me completely." Maybe your rheumatic pains come from stomach, liver and kidney troubles. Electric Bitters will give you prompt relief. 50c and \$1. Recommended by All Druggists.

Mrs. W. E. Cutler and Mrs. Edgar Freeman returned Saturday night from a few days stay in Kansas City.

Born to Mr. and Mrs. Fern Steinman, Burris addition, March 25, a seven pound boy.
